Sonja,

Thanks for the email. Based on what I can gather about the case for tomorrow, there is a chance it could be resolved without a trial. Would it be alright to have you on-call? Worst case scenario, if it actually goes to trial, I can call you and then pick a jury and put on the other witnesses during your travel time. Is that something that works for you? Let me know.

Thanks,
Bob

Hi Bob-

I just wanted to let you know that I received a reminder summons last week for the [REDACTED] case scheduled for trial on Sept. 30 --- should I assume that nothing has changed with the case and that I am definitely needed in Pittsfield by about 9am? (I have no problem with that) Thanks.
